## Do You Dream of Your Own Yacht?

A Discussion Panel and Chat with our Members on Ownership and some of the Alternatives.

**Monday 5 July - 20:00 Hrs to 22:00**

**By Zoom**

**(Meeting ID: 834 5004 3725 Passcode: 599349)**

Maybe you have always dreamed of owning a boat or maybe just started off wanting to learn to sail but found you wanted to be able to take control of a yacht and become the skipper so that you could sail where you wanted when you wanted. Yacht ownership is great but it is both expensive and almost always a compromise but there are different ways of getting on the water in 'your own yacht'.

To get the discussion started a panel made up of selected members will give a short presentation on their experiences of how they 'took control' of their own yacht with outright ownership, shared ownership, membership or chartering both in the UK and abroad. *No need to register - just join the call on the night.*

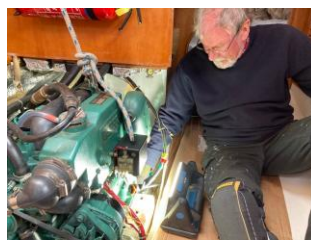

### THE PANEL:-

Steve (Shared Ownership and Flexisail Membership)

Bill (Chartering UK and Abroad)

John (Ownership - What Price Sanity?)

Jonathan (Ownership on a Budget)

One of the benefits of being a member of **Reading Offshore Sailing Club** is being able to meet with a range of people with different levels of sailing skill and knowledge with whom you can share experiences so please support us and join us for this event.
